

2018 Retreats

We ran 3 Camp Resilience retreats in the first 3 months of 2018. They included our 4th Women's-Only Retreat and our 1st collaborative retreat with Project Healing Waters Fly Fishing.

We have 9 more retreats scheduled for this year to include a number of firsts. We plan to run our 1st Family Retreat in May, our 1st retreat for veterans with limited mobility in June, and our 1st retreat for veterans with substance dependency in August.

2018 First Quarter Update

Thank you to our generous donors, volunteers, and participants for everything that they have done for PRLI!

Since January, we have run 3 Camp Resilience retreats and launched our 5-year plan. We've been off to a great start and are excited for what is still to come this year.

The PRLI's 5-year Plan Has Launched!

In February, we launched our 5-year plan to raise the funds needed to run up to 40 Camp Resilience retreats per year by 2022. To do this, we are significantly increasing our fundraising efforts in order to begin to hire a full-time staff in the 3rd quarter of this year.

What does this plan look like?

	2018	2019	2020	2021	2022
Number of Retreats	12	20	25	30	40

- **Staff positions: Executive Director, Fundraiser, Administrative Specialist, Licensed Counselor, and a Recreation Specialist**
- **Staff will be added slowly when fundraising permits**
- **Retreats will include both mid-week and weekend sessions**

How are we accomplishing this goal?

We are reaching out to large, local corporations who are known for supporting veteran organizations. We are also applying for grants and have a fundraising challenge leading up to the Memorial Day Concert! You can help us serve veterans by becoming a fundraiser or sponsoring a veteran in the Memorial Day Concert Challenge. To learn more, please visit our website or Facebook page.
